

Customer Service Alert:

Recently, High Country Bank has been experiencing larger than normal call volumes for customer service. Our employees try to answer calls when they are routed to them, but that is not always possible. If you receive a voice mail, please leave your name, phone number, and a brief message so our employees can call you back.

You can also use your online banking to:

- Check your balance and recent transactions
- Review your statements
- Make transfers
- Update travel plans
- Send a secure message to our staff
- Temporarily raise your debit card limits.

Thank you for your patience.

Sign up for online banking at www.highcountrybank.net
