

Downtown location now open on Saturday:

Drive-up:

Recently, the drive-up teller drawer at our Salida Highway 50 location was severely damaged, resulting in the closure of that lane. This has created longer than normal wait times for our customers. In order to help alleviate the situation, while we wait for the replacement drawer to arrive from our supplier, we will be opening the drive-up at our downtown location on Saturdays from 9am – 12pm. We are sorry for the inconvenience this has caused and we greatly appreciate your patience as we work through this unexpected incident.
